

Computers For Kids!

Warren County's Community Website is giving away another Free Computer!

Darr Web Solutions is dedicated to helping our local community, during these tough economic times. We realize that many school-age children do not have access to a computer at home, nor can their families afford to spend \$400 or more to purchase one. Even used computers are often priced out of reach for these families. Let's face it... in today's world, our children need every advantage available to ensure their success. We envision that this program will help give an extra advantage to many of our students, in the future.

That said, our initial goal is to be able to give away one free computer each month, to a student in the Warren County School District (including homeschoolers and the Tidioute Charter School). If enough other businesses are willing to participate, we will increase that number.

The Free Computer will be awarded via random drawing, from all eligible entries received.

Eligibility & Terms:

- This program is only open to students enrolled in grades K-12, in the Warren County School District, Tidioute Charter School, and Warren County Homeschoolers. Eligibility must be verified, prior to the winner receiving the computer system. If the winner is ineligible, we will select another winner.
- Free Computer is a desktop system (consisting of a tower, monitor, keyboard, and mouse), refurbished and donated by [Darr Web Solutions](#).
- [Darr Web Solutions](#) does not provide internet access with the Free Computer. Obtaining internet access is the responsibility of the winner, although we would welcome a sponsor that would provide free internet access.
- Limit of one entry per student, per drawing. In the interest of fairness, winners will not be eligible to win another system for one year after winning.
- Winner's parent or guardian must execute a release to allow the winner's name & photo to appear on our Winners Page.
- Please be aware that we **do not** use your information for any marketing purposes, nor do we sell it, or make it available to others. After the drawing, all entries are discarded, and no information is retained, other than the winner's name, school, and photo on the Winners Page.

Sign up now at www.WarrenPa.net or call 723-4597 between 9 am and 9 pm, M-F.

Entries close on January 15, 2010, at 9:00 pm.
